The screenshot shows the 'my TECHNOLOGY SERVICE CENTER' interface. At the top, there is a navigation bar with the Carilion Clinic logo and the user 'SRMUNSEY' logged in. A notification banner states 'Request SD10848' and 'Interaction SD10848 has been updated.' The main content area is divided into two columns: 'Request Detail' and 'Contact Information'. The 'Request Detail' section includes fields for Interaction ID (SD10848), Status (Open - Linked), Open Time (11/08/10 12:34:03), and Service (Other - See Description). The 'Contact Information' section includes fields for Contact Name (SRMUNSEY), Department, Phone, Extension, E-mail (SRMUNSEY@carilionclinic.org), Location, and Floor. Below these sections are 'Title' and 'Description' fields, both containing the text 'Please process request.' A left-hand navigation menu lists options such as Home, Manage My AD Account, Report an Issue, Submit a Request, My Saved Requests, My Open Requests (highlighted), My Closed Requests, Find a Request, Useful 'How-to' Articles, and Logout.

## Helpful Information

- **Email notifications:** You may receive an email notification if the ticket associated with your submission is updated by the TSC or needs your attention. You will receive an email notification once your request has been fulfilled and closed.
- **What's the status?** Save yourself a phone call to the TSC! You can check the status of any request you have submitted to the Technology Service Center using *MyTSC*. Using the menu on the left side of the screen, simply click the desired option:
  1. *My Open Requests:* View all **open** requests you have reported to the Technology Service Center.
  2. *My Closed Requests:* View all **closed** requests you have reported to the Technology Service Center.
