

Go to the Mozilla Firefox website at www.firefox.com and click the green “Firefox Free Download” button as shown below.

1.

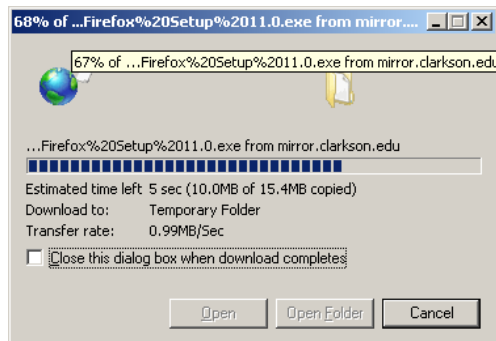

Click “Run” to start the download process.

2.

Wait for the download to complete.

3.

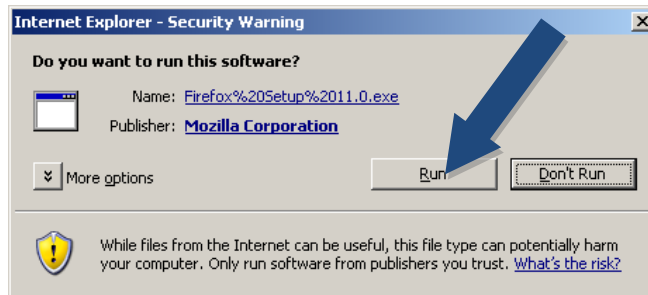

After the installation files extract, the “Welcome to the Mozilla Firefox Setup Wizard” window appears. Click “Next” to continue.

4.

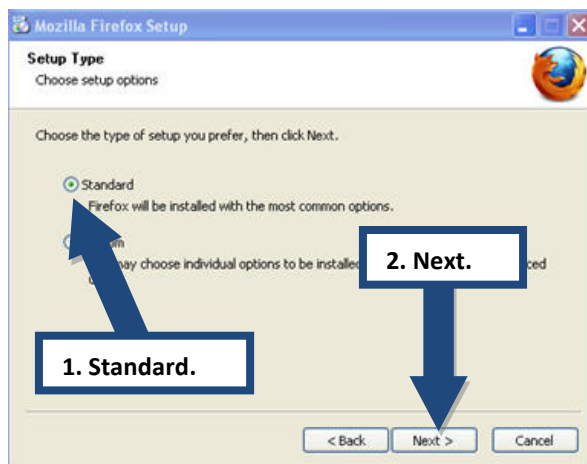

After the download is complete, the below dialog box will appear. Click “Run”.

5.

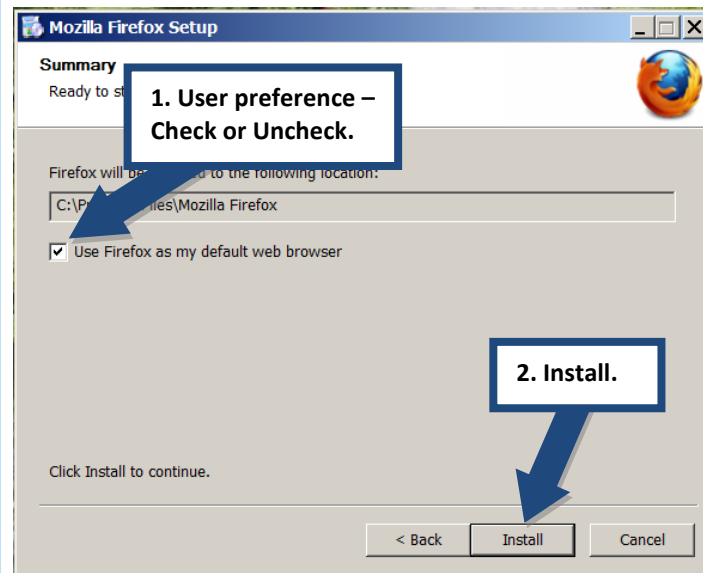

Click in the circle by “Standard” to choose the standard setup option and click “Next”.

6.

In the Summary window, click "Install".

7.

Click in the box next to "Launch Firefox now" then click "Finish". This completes the installation.

8.

Helpful Information...
