

JCHS – Upload YouTube Videos into Blackboard (Personal Videos)

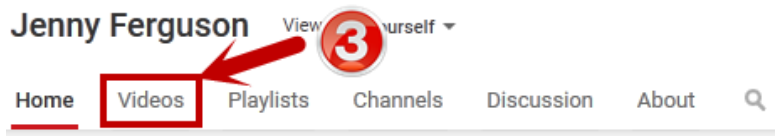

1. Login to [YouTube](#) using your Google account.

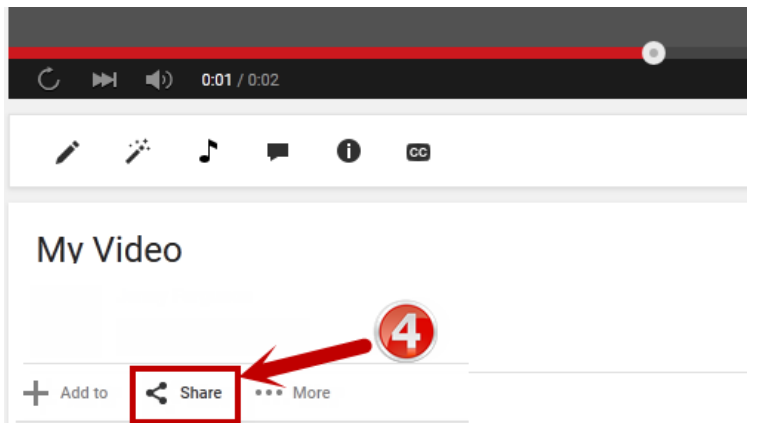

2. Click “My Channel” in the menu on the left.

3. Click on “Videos”.
- Find the video that you created and click on it.

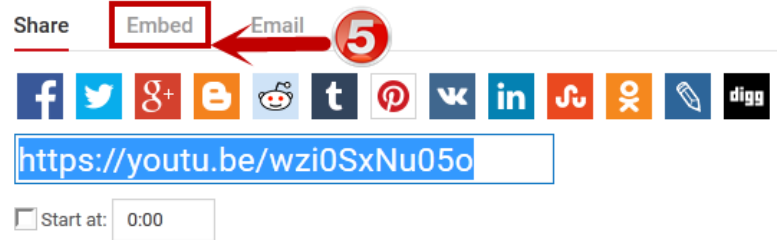

4. Under the video, click “Share”.

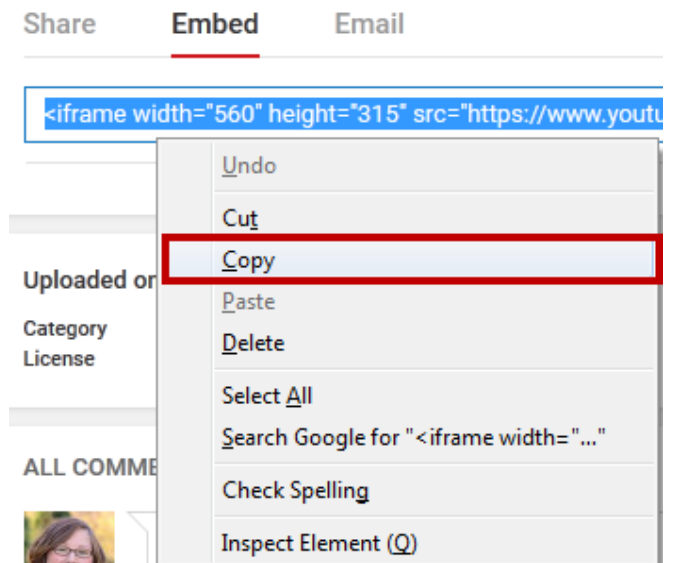

5. Click "Embed".

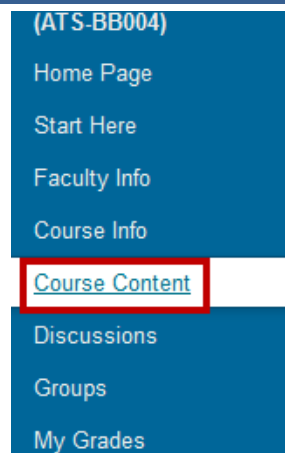

6. Right click on the URL that is highlighted in blue. Click "Copy".

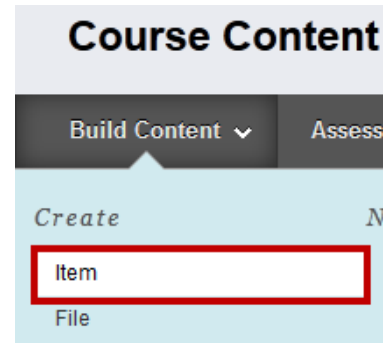

7. Login to [Blackboard](#).

Click on your course and navigate to the Course Content Area (or the location where you want the YouTube video to appear).

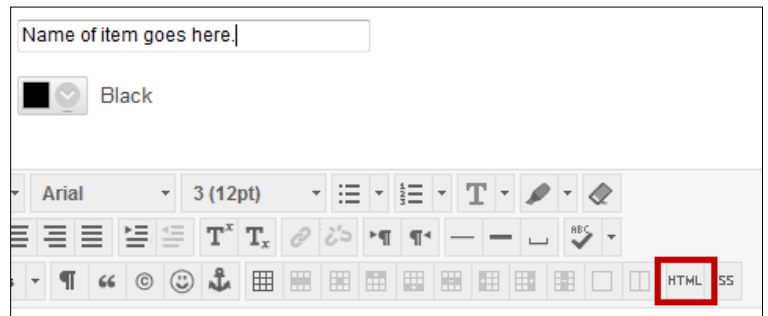

8. Hover over *Build Content* and then click on “Item”.

9. Give the item a name.

In the Text Editor, click on “HTML”.

If you do not see the HTML button, click the two down arrows on the right hand side of the text box to expand the menu.

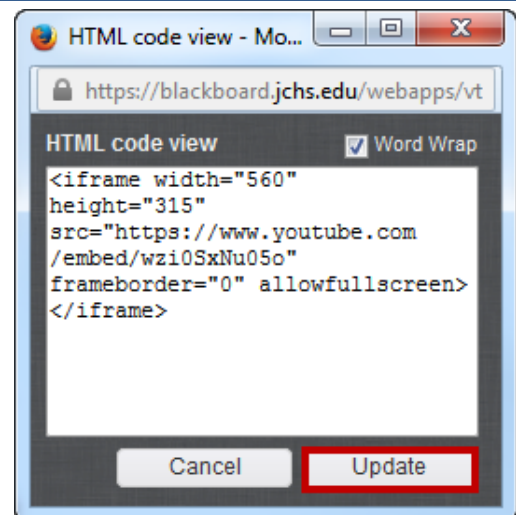

If you do not see the HTML button, click:

10. A new window will appear titled *HTML code view*. Right click and paste the URL from YouTube into the box.

Click “Update”.

11.

A yellow box should appear in the text editor in Blackboard.

Click "Submit".

The YouTube video should now appear in your course.
